

# Year 12 2023 - ATAR Results Key Indicators

## Embracing Life | Nurturing Faith | Inspiring Learning

Our Lady of Mercy College demonstrates a commitment to student success and continuous improvement through its reflective practice process. The annual analysis of Year 12 results serves as a point for evaluating teaching practices across Years 7 to 12. This proactive approach allows the College to adapt and refine its methods, ensuring students receive the best possible support in achieving their academic goals.

Data is drawn from a comprehensive range of sources, including the School Curriculum and Standards Authority, the Tertiary Information Services Centre, as well as internal data collated by the College. This multi-faceted approach ensures a holistic understanding of student performance, enabling the College to make well-informed decisions.

The strategic focus on key data sets, chosen for their relevance in providing meaningful feedback to the College community, showcases a thoughtful and purposeful commitment to improvement in student outcomes. Our Lady of Mercy College's dedication to excellence, adaptability, and student-centric practices positions it as an institution at the forefront of educational innovation and support.
